ORGANIZATIONAL STRUCTURE

Please refer to our website for the most updated version of this section for your manual. We recommend that you check for updates in each quarter, in order to maintain up to date information. The following instructions will assist you in updating section 2.3 of this manual.

1. www.wcss.ab.ca
2. Under NEWS & UPDATES heading, click Contingency Manual Section 2.3 Update

Check the footer date in your printed section 2.3. If this is a different date from what is indicated in the update link (i.e. the footer in your manual says January 5, 2018, and the date on the website says November 21, 2018), click on the link, print double-sided, and place in your manual.

REMEMBER: to ensure that your manual is always up to date, check these links every 4 months.

Contact information regarding Co-op Area Steering Committees and Initial Response Teams is kept with your Area Chairman and Administrators. Please ensure you have their contact information readily available to you at all times.
